IMPORTANT INSTRUCTIONS

1. The author should present their work physically or virtually during the assigned schedule. They **must be present** during the entire session as per the schedule.
2. **Template for presentation slides** is provided under the “**Information to Authors**” section on the IEEE SILCON 2024 Conference website. The authors are instructed to limit the presentation slides with main contents as far as possible to finish the presentation in 8 minutes.
3. Authors presenting **virtually** are required to upload both the 8 (eight) minute **pre-recorded video** of the presentation and the **PPT slides** to Google Drive. They must share the drive link with the **corresponding E-mail ID of the session**.
4. Authors presenting **in person** are only required to submit their **PPT slides** via E-mail to the **session’s designated E-mail ID**.
5. The **deadline** for submitting the required materials (pre-recorded video and PPT for virtual presenters, PPT for in-person presenters) to the session’s designated E-mail ID is **5 PM on November 5, 2024**.
6. For presentations in virtual mode, pre-recorded videos will be played for all virtual presenters.
7. After the presentation, the presenter has to respond to the queries (if any) of Session Chair(s) and other participants.
8. The total time allotted to each presenter: **8 minutes for pre-recorded video (for virtual presenters) or live presentation (for in-person participants) + 02 minutes for Q&A**.
9. If the presenter fails to be present during the allotted schedule, the decision regarding inclusion of the paper in the conference proceedings (IEEE Xplore) will be subjected to the decision of the Session Chair/s and Organising Committee.
10. The E-Certificate of presentation will be provided and sent to the registered email ID of the corresponding author after 07 days from the completion of the conference.

****This tentative schedule is based on Registered Paper IDs**
